## Terms and Conditions of Home visiting Service

The highest priority is given to the health and contentment of your cat/s.  They will receive the same personal and loving care as you would give to them, so please accept that some basic conditions apply:

1.  All possible care and attention will be given to your cat/s welfare, this being so we reserve the right to contact a veterinary surgeon at the owners expense should we feel it necessary.

2.  All ANIMALS and PROPERTY are at the owners risk.  NO responsibility is taken for damages incurred by the cat/s whilst you are away.

3.  Every effort will be made to keep your cat/s secure and safe but by nature of cat/s that is not always possible.  As an example, they may choose not to come in at night.  The responsibility is down to the owner.

4.  Please note:  If your locks have any particular technique please demonstrate how to lock and unlock your doors beforehand.  Force will not be used but if we cannot get to your cat/s we may need to call a locksmith, at the owner's expense.
